

Inside Fashion

On the Scene

Inside Fashion features the latest industry tips and trends – on and off the runway – keeping you hip on what's très chic and divine. This show goes beyond beauty in the making...news-magazine style.

It's all About...

The world behind the camera and lights, exposed like never before. Covering everything from designer lifestyles and fashion marketing, to the latest news and trends. Inside Fashions glitterati dresses you in the seasons finest.

Brand your Image

Television and Web-based advertising provides innovative opportunities for image branding. Inside Fashion markets to niche audiences – fashionably savvy women, aged 25 to 45 – ensuring targeted reach. Fulfill your target-marketing objectives with Chandran Media's industry specific programming, airing across Canada and the US.

Teaming with Success

With a team of industry specific professionals behind every production, Chandran Media delivers. Staff members include media production specialists, along with a number of award-winning writers, producers, editors and videographers.

Watch beauty in the making on Inside Fashion. Contact our sales team today or visit www.insidefashion.com.

BRANDING OPPORTUNITIES

Traditional and New Media Mixes

Television and Web-based advertising provides innovative opportunities for image branding. Fulfill your target marketing objectives with Chandran Media's industry focused programming. Corporate Features and Video on Demand business profiles, show segment sponsorships and commercial production - provide marketing options as unique as they are varied.

Program Production

With six programs presently in production and more set to air, your marketing solution awaits. Current programming includes Energy TV, Real Investments TV, CEO TV, Energy Investments TV, Mining Industry TV and Inside Fashion TV. Program specific websites further extend your market reach – tapping into the very measurable world of Web advertising.

About Us

Chandran Media was founded in 2006 by Owner/President Neil Chandran. What started with one TV program airing in one city, has grown into six programs airing across Canada and the U.S. Our full-service production facilities staff close to 100 media professionals - and the growth continues. Franchise opportunities are available by contacting neilc@chandranmedia.com.
